## 👤 PROFILE

I'm a quick learner and always open to learning new things eagerly. I love teamwork, I'm not uncritical type of person so I'm crises are welcome to me also I'm such a problem solver and ready for new Challenges. Over past years, I worked in the field of sales and business, but I realized that my interest is not in this so I started studying programming and participating in training courses, and I'm trying to developing myself in this field.
